Dear Mr. Upadhyaya

Hello and Namaskar. Further to my last email of 26 March, I write to convey our sincere thanks for the care and cooperation extended by the office SSP Chandigarh. He very kindly not only gave my wife his full attention and patient hearing he immediately called the SHO from Sector 36 for the prompt further action. My wife tells me that she was fully impressed with your administration. We would like to put on record that people in Chandigarh, in general, feels a marked change in their dealings with the local police. Please could you convey our very best wishes and sincere thanks to all concerned for boosting the public confidence who in turn will surely show their full respect and cooperation to all of you.

Best wishes and regards
