

**Press Release**  
**13.9.2017**

Today i.e. 13.9.2017, Chandigarh Traffic Police has organized Road Safety Exhibition/Workshop at Chandigarh Institute of Engineering and Technology (CIET), Sector 26, Chandigarh. In this road safety awareness programme Sh. Shashank Anand, IPS, SSP/Traffic & Security, traffic marshals and CTP staff participated. Talk on road safety was also delivered by SSP/Traffic. More than 500 students of the above said institute participated in this road safety awareness programme. Traffic marshals have also performed a skit titled "Paigam" during this road safety function. More than 500 road safety awareness pamphlets/literatures and 50 CDs on road safety were also distributed to the students and staff.

Chandigarh Traffic Police is regularly conducting such road safety awareness programmes in different schools/colleges to create traffic awareness amongst the students, who are the future road users.
