

PRESS RELEASE DATED 27.09.2017

Today, i.e. on 27.09.2017 an awareness programme on **"Organ Donation and Role of Police in Organ Donation."** was organized in collaboration with **Mohan Foundation** in **Recruit Training Centre(RTC) , Sector-26, Chandigarh** under the **guidance of Shri Tajender Singh Luthra, I.P.S., D.G.P., U.T., Chandigarh** and under the **supervision of Sh. Ravi Kumar, I.P.S., S.P./ Operations & Training.** 167 police officers (Inspector, Sub Inspectors, Assistant Sub Inspectors, Head Constables and Constables) have attended this programme.

Ms. Deeplika, Project Manager, Mohan Foundation explained as to which organs can be donated by a diseased person and living person. She also explained the concept of Brain Death and it's clinical evaluation.

Mr. Sudhir Dewan, Director, Mohan Foundation spoke on the role of police especially in MLC cases. He informed that in India there is an accident death every 3.7 minutes and 66% of the accident victims can be counselled for Organ Donation. Dewan said that Chandigarh Police has always played a proactive role in case proceedings and also in creating Green Corridors

The objective of this programme was to create awareness among the police personnel regarding donation of organs and to discuss the important role of police in this regard to save a life and also in creating Green Corridors while transporting the human organs.
