

CHANDIGARH ADMINISTRATION
POLICE DEPARTMENT.

PUBLIC NOTICE

Chandigarh Police has given advertisement for recruitment of 520 posts of Constables (Executive) for which on-line applications are being accepted since 01.12.2015.

The general public is informed that Chandigarh Police has introduced biometric identification to prevent impersonation at each stage of the recruitment process, such as Physical Endurance & Measurement Test (PE&MT), written examination, medical examination and at joining time. Instead of subjecting lakhs of prospective candidates to submit their biometric data physically, Chandigarh Police has tied up with Unique Identification Authority of India (UIDAI) to accept biometric data captured during Aadhaar Card registration. Prospective candidates, who have existing Aadhaar Card, can save themselves the expense and hassle of physically submitting their data by applying with their Aadhaar card. Prospective applicants not having an Aadhaar card, are required to present themselves at our Recruitment Facilitation Centre (RFC) at the address given below for the submitting their biometric data and obtaining a registration number on the basis of which they can apply.

It is reiterated that Aadhaar Card is not mandatory for applying for these posts. Chandigarh Police is fully committed to following directions of Hon'ble Supreme Court of India in the matter of Justice K.S. Puttuswamy (Retd) and Anr V/s Union of India. (Supreme Court interim order dated 11.8.2015 in Civil Writ Petition No. 494 of 2012).

Address for physical registration of biometric data:

Recruitment Facilitation Centre
Police Lines, Sector-26, Chandigarh (UT)
